

# Towards Sustainable Bioeconomy

## SmartBio Annual Meeting, October 15<sup>th</sup> 2018

Venue: Auditorium, Hotel Caribia (Kongressikuja 1, Turku, Finland)

08.15	<b>Breakfast from the hotel breakfast buffet</b>
09.00	Opening words – <b>Eva-Mari Aro</b>
09.10	Guest lecture, <b>Prof.Dr.ir. Rene Wijffels</b> , Professor and chairholder at Wageningen University, Bioprocess Engineering, Part time professor faculty Biosciences at Aquaculture - Nord University, Norway <i>Towards industrial production of microalgae</i>
09.55	Guest lecture, <b>Lars-Peter Lindfors</b> , Senior Vice President, Technology, Neste <i>Case Neste - growth through innovation</i>
10.40	Pitching competition
11.45	<b>Lunch</b>
13.20	<b>Henrik Grénman</b> <i>Research visits spark fruitful collaboration</i>
13.50	<b>Eva-Mari Aro</b> <i>Experiences from big EU project preparation</i>
14:05	<b>Linda Fröberg-Niemi</b> <i>Boosting bio- and circular economies through innovation activities in Smart Chemistry Park</i>
14.20	<b>Jussi Suvanto</b> <i>The Production of Tannins in Cell Cultures</i>
14.30	<b>Adriana Freitas</b> <i>Epoxidation of vegetable oils under microwave irradiation, process intensification for biomass conversion</i>
14.40	<b>Milla Suominen</b> <i>Towards safer energy storage: Fabrication of electroactive nanocomposites</i>
14.50	<b>Yongchao Zhang</b> <i>From biomass to nanomaterials: improving the valorization of wood components in the biorefinery".</i>
15:00	<b>Martina Angeleri</b> <i>(phospho)proteomic investigation of Synechocystis sp. PCC 6803</i>
15.10	<b>Afternoon coffee with short talks</b> <b>Martina Jokel</b> <i>Short report from the PhD-meeting</i> <b>Yagut Allahverdiyeva-Rinne and Henrik Grénman</b> <i>Update on the situation of common projects (Electroconductives and immobilization, Monosugars from woody biomass for algae)</i>
16.00	<b>Social event:</b> Superpark competition
17:30	<b>Awarding the best pitch</b>
18.00	<b>End of the meeting</b>

\* From the Turku city centre, Holiday Club Caribia is served by buses No. 50, 51, 53, 54 and 220. The end of line is situated right in front of the hotel
